“Sofa.com have been a well used and trusted supplier in my little black book for some time now – the service is efficient and reliable, and being able to supply our own fabrics for their pieces gives great flexibility when specifying for our clients.”

Claire Garner Interiors

“Always efficient and flexible, I’ve used sofa.com on a number of projects now and have found them to be more reliable and willing adapt to a brief than more established department stores.”

Anouska Tamony Designs

Interior Therapy

“Sofa.com is our “go to” company for really good quality and sensibly priced furniture. Over the years we’ve purchased beds, sofas, chairs and footstools for various clients. There’s a great choice of house fabrics but we’ve also used other suppliers fabrics to make the items more bespoke. The trade team are efficient and easy to work with.”
